

# THE HARVEY PRACTICE NEWSLETTER

MARCH  
2023

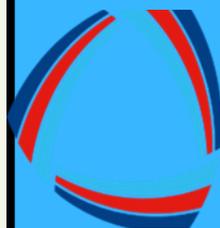

## Practice Champions

Over the years The Harvey Practice has been assisted by two groups of volunteers; Practice Supporters and our Patient Participation Group (PPG)

Our aim is to join the two groups to form a new group of volunteers called 'Practice Champions'

We have had a very good response and we are looking forward to meeting the volunteers in March .

If you are interested please email:  
[harvey.practice@nhs.net](mailto:harvey.practice@nhs.net)

## Armed Forces veteran friendly accredited GP practice

The Harvey Practice is pleased to announce we have renewed our accreditation Armed Forces Veteran Friendly GP Practice.

If you are a veteran please inform the reception team and we can share with you some useful information on what the NHS can offer to our veterans.

## CARERS

It is important that you inform us if you are a carer for someone so we can add this to your medical record. This could include: collecting medication, helping with cooking and cleaning, helping with a weekly food shop, assisting with washing and dressing. Just pop into the Practice and inform the reception team.

## DID YOU KNOW?

Patients can now register online by visiting our website and using the link [www.theharveypractice.co.uk](http://www.theharveypractice.co.uk)

Staff at The Harvey practice are taking part in 'The Dorset Mud Run' in May to raise money for The Stroke Association. Some of you may know that our lovely Dr John Stephens had a stroke in 2021 so this is a charity very close to our hearts. If you would like to sponsor us please see posters in reception or visit our website.
